REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance: in the independent claim the recitation of a swing mechanism of a steering axle in a three wheeled industrial vehicle comprising a steering axle; a pair of steerable wheels; a steering shaft; a center pin arranged at a lower end of the steering shaft in a longitudinal direction of the vehicle and a holder coupled to the center pin so as to be swingable in combination with the rest of the recited elements, clearly defines over the prior art.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

2. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure. The references cited each disclose some features in common with the present invention such as a swinging axle.
